

A New Generation of Evidence Protection

OffGrid™ is a technical breakthrough in evidence protection. Ultra-high RF attenuation and superior device protection (even from water) in a smart, lightweight design. It's more durable and more reliable than any product on the market.

OffGrid™ Faraday Bags

OffGrid™ Bag - Mobile, Black

8" x 9.5"

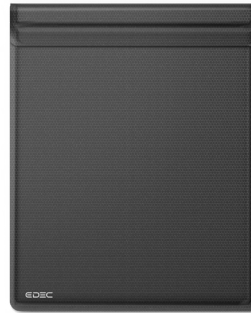

Operational area
5.5" x 8"

OffGrid™ Bag - Mobile, Grey

8" x 9.5"

Operational area
5.5" x 8"

OffGrid™ Bag - Tablet, Black

9.8" x 14"

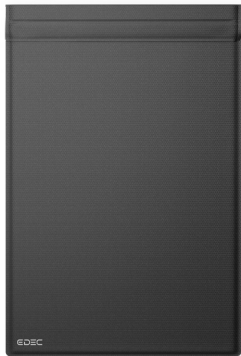

Operational area
8.4" x 11.5"

OffGrid™ Bag - Tablet, Grey

9.8" x 14"

Operational area
8.4" x 11.5"

OffGrid™ Bag - Laptop, Black

13.4" x 20.8"

Operational area
12" x 17.9"

OffGrid™ Bag - Laptop, Grey

13.4" x 20.8"

Operational area
12" x 17.9"

OffGrid™ Bag - Key Fob, Black

4" x 7"

Operational area
3.2" x 5.7"

OffGrid™ Bag - Key Fob, Grey

4" x 7"

Operational area
3.2" x 5.7"

OffGrid™ ID Tag

2.63" x 3.88

Evidence cards for ID Tags
are available on request

OffGrid™ Features

- + Advanced composite fabrication with unmatched RF shielding (100 dB+)
- + Ripstop fabric and welded seams prevent material compromise - reliable and durable
- + Secure closure system allows easy access
- + Lightweight, slim and waterproof
